At PROFINO, we focus on offering thoughtfully designed To-Go products and kitchen items that enhance everyday life across lifestyle, urban living, sports, kitchen, and tableware segments.

Our central warehouse in Solingen stores over 1,000 products from 16 global brands, along with our own line of bottles and thermo mugs, leveraging our team's expertise in drink storage.

Sustainability is a growing priority, and for every PROFINO bottle or mug sold, we donate a tree to **Plant-for-the-Planet**.

Our products are designed for convenience, with ergonomic, leak-proof designs, easy cleaning, and compatibility with bags and cup holders.

With every PROFINO bottle sold, consumers contribute to ecosystem restoration through the „1 Bottle = 1 Tree“ initiative.

In collaboration with **Plant-for-the-Planet**, a global organization for climate justice, this action supports reforestation and educates young people through training programs.
